& FILM RENTAL HERE**

The 55-minute documentary illuminates Wright’s vision and the painstaking efforts of the restoration artisans to restore Unity Temple back to its original beauty. The historic preservation embraces the community for which it was originally conceived 100 years ago and is a refreshing reminder of the potential glory of a community working together for a common good purpose.

Five Frank Lloyd Wright sites are proud to be collaborating on this community fundraiser event. Unity Temple, Fallingwater, Taliesin, Taliesin West and Hollyhock House are all part of “The 20th Century Architecture of Frank Lloyd Wright” UNESCO World Heritage site. Your \$20.00 ticket supports the preservation, education and advocacy of Wright’s work. Also included is a special panel discussion featuring lead architect Gunny Harboe, historian Joe Siry and artisans Julie Sloan and Dorothy Krotzer.

This Special Preview Screening will be available for online rental via the streaming service, VIMEO between Friday, October 30th and Saturday, November 14th, 2020. So grab the popcorn, a glass of wine or your morning coffee and watch at your convenience!

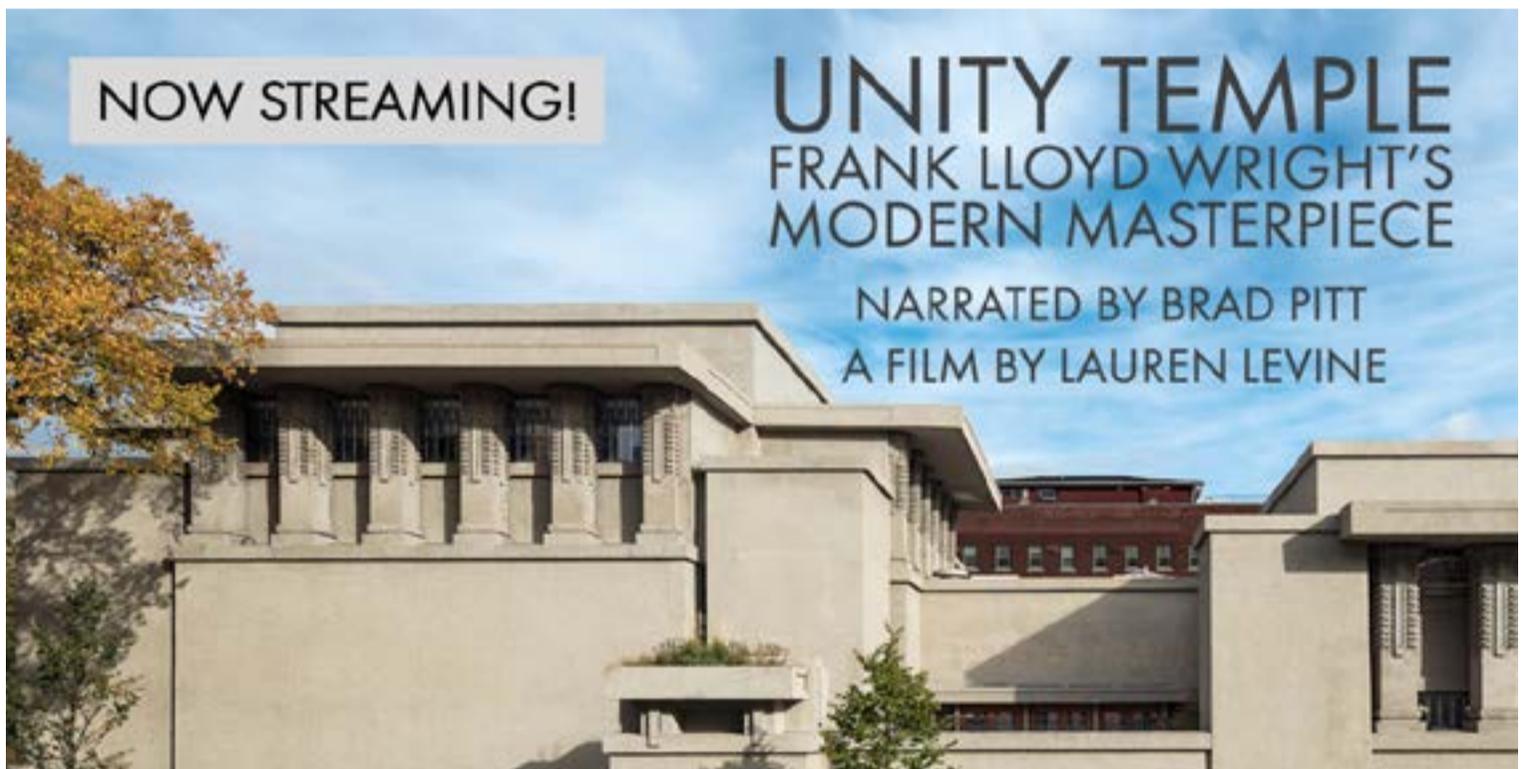

Then join us for the panel discussion via Zoom on Sunday 3 PM Pacific 6 PM Eastern, November 15, 2020. Our distinctive panel, hosted by filmmaker Lauren Levine will feature an introduction by Brad White, Associate Director, Alphawood Foundation Chicago.

Film and Zoom links to be provided closer to preview dates.
